

The Bridge to a Whole New World

1. The Cross Shows Us How Much God Loves Us.

- Life can sometimes cause us to question whether God cares, whether He loves, whether He turns a blind eye because He is immune.

Does Jesus really love us you ask?

- He proved it to us in His incarnation
- He proved it to us when He said I am your friend
- He proved His love by His association.

2. The Cross Tells Us What Christ Did For Us.

- The cross was a curse and anyone who hung on it was accursed by God Himself.
- Jesus came to take away the curse of sin upon mankind which is separation from God.
 - You see God is holy
 - But God is also merciful
 - And lastly God is mighty!

3. The Cross is a bridge to a whole new world.

- Those who embrace the cross and all that it means, it's a bridge over troubled waters.
- The Bridge is an entrance into a whole new unseen world.
 - **John 10:10** NKJV The thief comes to steal, kill and destroy, but I've come that you might have life and have it more abundantly.
- Heaven is a real place created for you.
 - **John 14:2b-4** NKJV I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.
- But you must willfully walk across that bridge.
- The Cross is literally the intersection and crossroads of history.
- At the center of this wooden intersection hangs a solitary figure, Jesus Christ.
